Dear Friend of Women for MACC,

Women for MACC (**Midwest Athletes Against Childhood Cancer**) invites you to become a partner in the fight against childhood cancer by investing in life-saving research through our **4<sup>th</sup> Annual Nine, Wine and Dine** Golf Event, scheduled on Monday, September 10<sup>th</sup> at Ironwood Golf Course in Sussex.

### **What is Nine, Wine and Dine?**

An [exclusive women-only golf experience](#) where you can enjoy a fall afternoon golfing nine (9) holes with your favorite group of ladies! Our 4<sup>th</sup> annual event will offer you an opportunity to taste various wines and other fun beverages; engage in conversation during our brief networking reception; and peruse our fabulous raffles, all while supporting our cause of raising critical research funds in finding a cure to childhood cancer and blood disorders.

### **Support**

With the generous support of our community partners, the five-year survival rate for all types of childhood cancer has risen to 80 percent since 1976. Women for MACC has a sincere commitment to support research until all children are cured of this devastating disease, but we can't reach our goal without your support.

Thank you in advance for your commitment to the fight against childhood cancer. We look forward to spending a day out on the golf course with you – all while supporting a worthy cause.

### **Fore!**

**Stacey Meyer**
