

# KELLY

Kelly is a survivor of High-risk, Pre-B Cell ALL. Five months before her cancer diagnosis, Kelly had open heart surgery.

Kelly has advocated in Congress for more pediatric cancer research funding. She also advocates for people with disabilities, especially Down Syndrome.

She is 17 and will graduate from Lake Country Lutheran in 2021. She is a self-taught make-up artist and begins formal studies to become a make-up artist this fall. **Kelly hopes to own her own make-up brand someday and yes, she has Down Syndrome.**

**EVERY 2 minutes** a child is diagnosed with cancer.

---

**More than 40,000** children are in cancer treatment each year. **More than 15,000** children & teens will be diagnosed this year in the U.S.

---

**95% of kids** who win the fight against cancer, have other life-long side effects from the cancer and/or its treatment.

---

**Since 1980, ONLY 3 drugs** have been specifically approved & less than 10 drugs have been developed for use in children.

---

**4% of government cancer research** goes to childhood cancer.

---

## WAYS TO SUPPORT

[www.womenformacc.org](http://www.womenformacc.org)

---

Women for MACC brings hope to families through research & awareness to end childhood cancer and related blood disorders. Your support of Women for MACC will benefit ongoing critical childhood cancer and related blood disorders research made possible through the MACC Fund.
