Dear Friend of Women for MACC,

Women for MACC (**M**idwest **A**thletes **A**gainst **C**hildhood **C**ancer) invites you to become a partner in the fight against childhood cancer by investing in life-saving research through our **8th Annual Nine, Wine and Dine** Golf Event, scheduled on Monday, September 12th, at Ironwood Golf Course in Sussex. We've also added a way for **ALL golfers** to help raise additional funds while practicing their swing, with our **Holes Fore Hope** event, running June 1st – August 31st!

What is Nine, Wine and Dine?

An [exclusive women-only golf experience](#) where attendees enjoy a fall afternoon golfing nine (9) holes with their favorite group of ladies! Our 8th annual event will offer the opportunity to taste various wines and other fun beverages; connect with others committed to this worthy cause; and peruse our fabulous raffles, all while raising critical research funds needed to help find a cure to childhood cancer and blood disorders.

How can you help?

With the generous support of our community partners, the five-year survival rate for all types of childhood cancer has risen to 80 percent since 1976. Women for MACC has a sincere commitment to support research until ALL children are cured of this devastating disease, but we can't reach our goal without your support. Last year's event was our most successful Nine, Wine and Dine to date, raising more than \$33,000! We hope to continue that momentum and build on the success with the addition of Holes Fore Hope!

We fully recognize the past year has been challenging for many businesses and households, but are reminded that childhood cancer does not take a break – even in the midst of a pandemic. We kindly ask you to consider supporting our Nine, Wine and Dine event, or participating in Holes Fore Hope, if you have the capacity to. We are looking for businesses and individuals willing to partner with us at all sponsorship levels, noted in the enclosed documents.

Your support will be acknowledged in a number of ways, both leading up to and the day of the event. Not only that, but your business will also be in front of a group of dedicated supporters and families who value your commitment to the community and this worthy cause.

Thank you in advance for your commitment to the fight against childhood cancer. We look forward to spending a day out on the golf course with you.

Fore!
