Dear Friend of Women for MACC,

Women for MACC (**Midwest Athletes Against Childhood Cancer**) invites you to partner with us in the **fight against childhood cancer** by investing in life-saving research through our 8th Annual Nine, Wine and Dine Golf Event.

Since its inception in 1982, Women for MACC (WMACC) has contributed more than **\$5 million** to pediatric cancer and blood disorder research. As an all-volunteer organization, **100% of our proceeds** go directly to the MACC Fund and all dollars remain in Wisconsin, funding critical research at the MACC Fund Research Center at the Medical College of Wisconsin, the MACC Fund Center at Children's Hospital of Wisconsin, the University of Wisconsin Carbone Cancer Center and the Marshfield Clinic.

With the generous support of our community partners, the five-year survival rate for all types of childhood cancer has risen to 80% since 1976. While this is certainly progress, childhood cancer remains the number one disease-related killer of children under age 15 in the United States. WMACC is committed to funding research until all children are cured of this devastating disease. We can't reach our goal without your support.

How can you help?

We are seeking donations from businesses and individuals of wine bottles valued at \$10 or more to help stock our popular Wine Pull experience at our Nine, Wine and Dine golf outing. This unique event features a nine hole, women's only scramble, a reception with food and wine pairings open to all, and various raffles, all comprised of generously donated items. Your gift will be acknowledged on signage and promoted during the event. All donations are tax deductible as allowed by law. You will receive acknowledgment of your donation for tax purposes following the event.

Please consider supporting Nine, Wine and Dine! Complete the enclosed Wine donor form and return it to Karin Bogenschneider. Please don't hesitate to contact us if you have questions or would like to discuss your donation.

Thank you in advance for your generosity and commitment to help in the fight against childhood cancer.

Fore!
